

**CLIP | Scoop**  
Folding Chairs

# CLIP

**CLIP.** Ready any-time additional seating is needed.

**CLIP** has a mesh back that provides comfort to the user's back. The seat is available in Natural Beech w/ Grey mesh back, Light Cherry w/

Grey and Wenge w/ Chocolate. **CLIP** has a sturdy rectangular steel tube frame with an aluminum finish.

**CLIP'S** sleek design at less than 1" folded can be easily stored in a minimal amount of space.

**CLIP** is offered in pairs. A space saving wall bracket provides for simple convenient out of the way storage.

**CLIP** is the ideal solution for short term seating for a variety of applications in healthcare, hospitality, corporate, government and educational settings.

# Scoop

**Scoop** is an elegant folding chair appropriate for a variety of applications in healthcare, hospitality, corporate, government and educational facilities.

**Scoop** is generously proportioned in scale, it's 'scooped' back and contoured seat offers the user excellent support and comfort.

**Scoop's** frame is constructed of solid beech with a plyformed beech seat or with an upholstered pad. Available in selected PPP wood finishes.

**Scoop** is offered in pairs. A space saving wall bracket provides for simple convenient out of the way storage.

### Scoop | DESIGN: Joe Ricchio

### Finishes

The goal of Scoop was to provide the user with a comfortable folding chair. This is accomplished through generous proportion and scale, sculpted back and contoured plyform seat. Adhering to my design credo: 'contemporary, yet timeless,' Scoop is not only comfortable, but elegant and versatile as well.
